

Dear Prospective Child Care Provider,

You are receiving this letter because you have expressed an interest in becoming a child care provider and have requested an application from the NYS Office of Children and Family Services. The Child Care Network has planned an upcoming class that is required to become a licensed child care provider. Health and Safety: Competencies for Becoming a Family or Group Family Child Care Provider will be held on January 24 – 28, 2022 9AM – 1PM. We typically run a class once every quarter, therefore our next class after this will be scheduled sometime in April 2022.

You must begin the application process to become a family child care provider through the Office of Children and Family Services prior to attending the class. For questions about the application process, please call us at the numbers listed below.

There are **two steps to complete** in order to register for the Health and Safety class. Please see below for the flyer and the two-step process information. These classes will be held at 37 Everts Avenue, Queensbury, NY 12804. Currently, we can schedule a small class in the space we have available.
