

# DIRECTORS DISCUSSIONS

## Staff Orientation

One of today's biggest challenges as  
Director is staffing.

Having a strong orientation process is the  
best way to ensure that your team feels  
supported, informed and can predicted the  
require outcomes of your daily routines and  
policies.

When this strong support is felt, staff are  
more likely to put in more time, effort and  
loyalty into your program.

- Do you have an orientation process that works for you?
- Where are the roadblocks?

Join us to discuss ways to tackle this crisis.
